Dear Mr. Kauffmann,

On behalf of MCC Great Lakes, I would like to thank you for your generous gift of \$2,679.00 Tuesday night at Goshen College. Your commitment to peace and justice is clear in the work you do. You are using your God-given gift to tell the Gospel stories and bless others through your show. Your musical talent and theatrical performance is a joy to watch.

The work of Mennonite Central Committee will continue to go on because of generous gifts from individuals such as you and from congregations around the world. As it has done for over 90 years, MCC will continue to focus on Disaster Relief, Community Development and Peace and Justice.

Again, thank you very much for your kindness and for your continued support of MCC.

With Regard,

Zenebe Abebe,
Executive Director

THANK YOU

Thank you for the contribution of \$875.00 to Mennonite Central Committee (MCC) received on 5/11/2011 which you designated as follows:

Food for All \$875.00

Your contribution helps provide emergency food assistance to people who are facing hunger. For example, during a recent drought in Kenya, MCC was able to provide food for 3,000 Masai families and nutritious meals to 43 primary schools. With your help MCC was able to respond to hunger caused by natural disaster, skyrocketing food prices and fluctuating weather patterns.

Thank you for entrusting MCC with your gift. Each gift improves lives and strengthens communities, whether your gift was designated for a particular need, or was given to where most needed. We celebrate the difference your gifts make in the lives of individuals and communities in more than 56 countries around the world.

Peace,
