Dear Willow Spring Mennonite Church & CPG Food Project Members,

Thank you for your continued support of the Windows ministries. In the summer of 2010 The Window added an online GED program with individuals taking advantage of this opportunity. We also expanded our clothing store an extra day and added more food to a food box out of the food pantry.

Again, thank you for your support financially, donation of food and prayerfully. As more families are using the Window we continue to need your support more than ever.

Please continue to pray as The Window seeks direction in future ministries. If you ever want a tour of The Window's facility or someone to share about The Windows ministries please call Ed Swartley at 533-9680.

In Ministry,

J. Ed Swartley
